MOLECULYST

LETTER OF EXPERIENCE

Letter to:

Vansh Gupta
Machine Learning Intern

Date:

2nd August 2026

To Whom It May Concern:

This is to certify that **Mr**. **Vansh Gupta** was associated with **Moleculyst** as an **Machine Learning Intern** from **February 2026** to **July 2026**.

During his internship, Vansh demonstrated a strong interest in Machine Learning and Artificial Intelligence. He actively contributed to research activities, model exploration, data preprocessing, and various AI/ML-related projects undertaken by the organization. He consistently displayed analytical thinking, technical aptitude, and a willingness to learn new technologies.

Throughout his tenure, Vansh exhibited professionalism, dedication, and a collaborative approach while working with the team. He completed his assigned responsibilities sincerely and adapted well to new challenges, making him a valuable member of the organization.

We appreciate his contributions to Moleculyst and wish him continued success in his academic pursuits and future professional career.

Best Regards,
Chaitanya Rajesh
